

berlitz language central south pdf

This is a non-exhaustive (growing) list of standardized tests that assess someone's language proficiency of a foreign/secondary language. Various types of such exams exist per many languages—some are organized at an international level even through national authoritative organizations, while others simply for specific limited business or study orientation.

List of language proficiency tests - Wikipedia

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.
