In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

Animals are multicellular eukaryotic organisms that form the biological kingdom Animalia. With few exceptions, animals consume organic material, breathe oxygen, are able to move, can reproduce sexually, and grow from a hollow sphere of cells, the blastula, during embryonic development. Over 1.5 million living animal species have been described – of which around 1 million are insects – but it has ...
