

### **painting the human canvas pdf**

Painting is the practice of applying paint, pigment, color or other medium to a solid surface (support base). The medium is commonly applied to the base with a brush, but other implements, such as knives, sponges, and airbrushes, can be used. The final work is also called a painting. Painting is an important form in the visual arts, bringing in elements such as drawing, gesture (as in gestural ...

A figure painting is a work of fine art in any of the painting media with the primary subject being the human figure, whether clothed or nude. Figure painting may also refer to the activity of creating such a work. The human figure has been one of the constant subjects of art since the first stone age cave paintings, and has been reinterpreted in various styles throughout history.
