The quest structure in TSW also differs in that it involves mechanics dealing with the same conspiracy theories and myths that the game's story surrounds itself in tasking players to think outside ...

The Secret World Wiki Guide - IGN

World War II was the largest and most violent armed conflict in the history of mankind. However, the half century that now separates us from that conflict has exacted its toll on our collective knowledge. While World War II continues to absorb the interest of military scholars and historians, as well as its veterans, a generation of Americans
