Bias based on handedness is bias or design that is usually unfavorable against people who are left-handed. Part of this is due to design in the world which is often right-hand biased. Handwriting is one of the biggest sources of actual disadvantage for left-handed people, other than for those forced to work with certain machinery.

Ambient, New Age & Electronic Space Music : We begin with electronic space music. Electronic music ranges from Space Age Pop to Progressive Rock and Spacerock to New Age.. The term Space Music, in fact, often implies New Age music. This probably comes from the Hearts of Space radio program that began playing meditative music on Berkeley radio in the 1970's and is now syndicated around the country.
